

# Rebuilding Together Aurora

A safe and healthy home for every person.  
We rebuild together, one home, one family, at a time.

**Rebuilding Together Aurora** is a registered 501(c)(3) not-for-profit organization that provides free home repair and modification services to low-income homeowners. We focus on serving those that disproportionately struggle with the financial burden of homeownership: individuals with disabilities, senior citizens, and families with small children.

Each year we bring together over 600 skilled and unskilled volunteers who give their time to provide the physical repair work on these homes. Repairs vary in scope and often include handicapped accessible modifications, grab bars, roofing, plumbing, electrical, windows, doors, painting, insulation, siding, landscaping, HVAC, or energy efficient repairs.

## why?

nearly **3000** families live in substandard conditions in Aurora & over **1300** disabled need home modification assistance

## who?

Those applying for assistance must:

- \* live in Aurora
- \* own and live in their home
- \* have homeowner's insurance
- \* meet HUD low income guidelines

## when?

We primarily provide repairs through two programs:

- \* **April Rebuilding Event** - large scale repairs on over 30 homes in two weeks. Hundreds of individuals and sponsors.
- \* **Year Round Repair Program** - small safety and accessibility modifications for elderly and disabled individuals in partnership with YouthBuild and the Dunham Fund

## how?

- \* **Volunteer** as an individual or group
- \* **Donate** materials
- \* **Sponsor** a project
  - Community Builders (\$10,000 and up)
  - Neighborhood Builders (\$5,000 - \$9,999)
  - Home Builders (\$1,000 - \$4,999)
  - Supporters (\$1 - \$999)

**Rebuilding Together Aurora**  
has been serving the community since 1993

## 2010 STATS

because we use volunteers and donated materials we can turn  
**every \$1 donated into \$4 of work**
